Team Tennis 1999: And Then There Were Two

Romeo Matias

This year's season is almost complete, and the two surviving teams are The President and His Monicas and The Babes: Tennis Pigs in the City. Through a series of strategic lineup moves, The President... (yes, Dan Garza is) finished the season undefeated, while The Babes had to scramble to a third place finish. But as we all know, the playoffs are a different situation altogether.

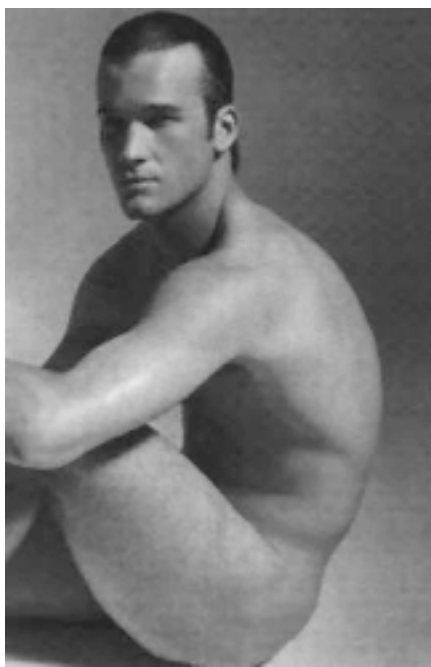

In the first round of the playoffs, The President... defeated The Divas 67-62 in a match that had numerous lineup changes on both sides. In the other playoff match, The Babes defeated the Tinky Winkies 67-54.

This year's championship match will be held at the City College courts this Sunday, April 25

at 9 am. Come out and cheer all your friends. The annual picnic will be held on Sunday, May 16 at Morley Field. Food (and games?) will be supplied.

Team Tennis 1999 Final Standings

The President and his Monicas	4-0
The Tinky Winkies	3-1
The Babes: Tennis Pigs in the City ..	2-2
The Divas	1-3
The Slice Girls	0-4

My oh my, who is that? No, Baselines is not turning into a porno newsletter, but the editor couldn't resist. And he's not even my type? see "bottom" page 4 for answer.

- Members play an average of 3.4 tournaments a year
- Reasons members play tournaments:
 - Improve tennis game
 - Take a vacation
 - Meet new people
- 60% members have household incomes of over \$50,000 (hello, where are you?)
- 81% are between the ages 25-44.

Challenge Ladder Corner

By Daniel Lee

The challenge ladder is currently ongoing. Only 2 matches have been played!! Now is your chance to get on the ladder and score as many points as possible for this quarter. Just a reminder—there is a monetary prize for whomever has the most points at the end of each quarter and overall at the end of the year. By the way, if you're having trouble reserving courts at Balboa Tennis Club, try scheduling your matches at Barnes Tennis Center. All Balboa Tennis Club members get a discount for playing at Barnes Tennis Center (\$3 instead of \$5 for the entire day—hardcourts only). So, what are you waiting for!! Get out there and make a challenge!!
